

REMARKS

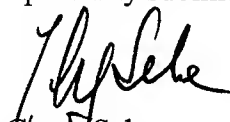

Applicant notes that the Preliminary Amendment with which this application was filed was not entered because there was an overlap in claim numbers. Applicant herewith resubmits the claims from the unentered Preliminary Amendment and has renumbered them claims 53-103. Original claims 1-52 were canceled as suggested in the Office Action.

Since claims 53-103 are substantively the same as original claims 1-52, applicant has elected with traverse those claims newly submitted herewith, that is, claims 53-82, all of which are directed to the electrotherapy apparatus of original claims 1-27 and 49-52.

In view of the foregoing, applicant requests the early examination of claims 53-82 elected by applicant.

If the Examiner believes a telephone conference would expedite prosecution of this application, please telephone the undersigned at (415) 273-4730 (direct dial).

Respectfully submitted,
